

PRESS RELEASE**SOMECC, THE CHAIRMAN OSCAR MARCHETTO PURCHASES
ORDINARY SHARES IN THE COMPANY**

San Vendemiano (TV), April 16, 2020

Somec S.p.A., a company specialising in the engineering, design and construction of large turnkey projects, in the shipbuilding and civil construction sectors, with regard to glass cladding, special architecture projects, outfitting for public areas and catering for large kitchens, listed on the AIM Italia Market, informs that, in April 14th 2020, the Chairman and majority shareholder Oscar Marchetto purchased a total amount of 9.700 ordinary shares of Somec S.p.A., for a weighted average price of euro 17,2079 per share. The transaction was disclosed via internal dealing communication, prepared and disseminated in accordance with the Law.

Oscar Marchetto, Chairman of Somec S.p.A. commented: "A due message to confirm my strong belief and personal commitment in the growth perspective of Somec and, most of all, on the sound diversification strategy implemented since years, that allow us to look ahead with confidence even in this difficult context. It's a due message for all the people that contribute with everyday work on our project, for our clients and our suppliers. As stated by Somec BoD, during 2019 results approval, the company is going on with the preparatory activities for the transition to MTA, an objective that would allow us to further strengthen our structure in order to sustain our strong growth with even more discipline, to have all our task and goals aligned, to get more visibility with foreign investors and effective financial instruments to enlarge the commitment of management and people in the Company share capital through stock option plans."

For more information on the aforementioned purchase transactions, please refer to the internal dealing communications available on the Company's website IR section/corporate governance.
