SOME C

SOME C SpA is specialized in the engineering, design and implementation of turnkey construction in naval and civil architecture projects, particularly in engineered systems of naval architecture and civil building facades; professional kitchen systems and products; design and creation of bespoke interiors. The group companies operate a common business model, focused on different project phases, following rigorous quality and safety standards in civil and naval engineering.

The projects managed by the Group stand out for the high degree of customization and for the specific know-how in different materials, a mandatory pre-requisite in high added-value projects.

SOME C has achieved a reputation for quality build and operational and financial reliability on a global scale, though a rigorous certification process. SOME C is headquartered in San Vendemiano (TV), with companies in the USA, Canada, Slovakia and China, employs around 800 people and reached a turnover of 223.4 million euros in 2020.
