SOMEK

SOMEK S.p.A. specialises in the engineering, design and realisation of complex turnkey civil and naval engineering projects in three contract segments: engineered systems for naval architecture and civil facades, professional kitchen systems and products, and the design and creation of customised interiors. Companies in the Group operate under a similar business model, focusing on design, production and installation, in compliance with strict civil and naval engineering quality and safety standards. Projects managed by the Group stand out for their high levels of customisation and material-specific know-how, a fundamental requirement in projects with high added value. Thanks to its rigorous certification and accreditation process, SOMEK has achieved a reputation for quality and operational and financial reliability on a global scale. SOMEK is headquartered in San Vendemiano in the province of Treviso in Italy, has companies in the United States, Slovakia, China and Canada, employs around 800 people and recorded a turnover of 258.5 million euros in 2021.
