

## SOMEC HAS APPOINTED ANDREA MORETTI AS INVESTOR RELATIONS MANAGER

San Vendemiano (Treviso, Italy), 08 March 2023 – The Board of Directors of Somec S.p.A. (“Somec” or the “Company”), specialising in the engineering, production and commissioning of complex turnkey projects in the civil and naval engineering sector, met today and appointed Mr. Andrea Moretti as Investor Relations Manager of the Company, that has been listed on Euronext Milan managed by Borsa Italiana since 2020, after translisting from Euronext Growth Milan which Somec first entered in 2018.

In the role, Mr. Moretti will report to the Group Chief Financial Officer, Mr. Alessandro Zanchetta, with the task of strengthening the knowledge and reputation of Somec within the financial community, promoting an ever-greater significance of the share price as well as of trading volumes on the Milan stock exchange.

Andrea Moretti holds a degree cum laude from Bocconi University in Milan and spent over fifteen years in the investor relations and financial communication sector, having held positions of increasing responsibility in listed companies and IPO-candidates, including Luxottica, Avio, Unipol and Unieuro, in which he served as IR & Corporate Communications Director between 2017 and 2022.

Oscar Marchetto, Chairman and Chief Executive Officer of Somec, stated: “Andrea's entry into the Somec group, which we welcome, is aimed at strengthening the team with the desire to adhere to the best standards of listed companies. In this way, we will devote even greater attention to current and prospective investors, to establish an increasingly constructive relationship with the financial community, with whom we want to strengthen the dialogue in relation to the activities and initiatives planned for the strategic growth of the Group in the coming years.”

### **Somec**

*Somec S.p.A. specialises in the engineering, design and deployment of complex turnkey projects in the civil and naval fields, in three contract segments: Engineered systems of naval architecture and building façades, Professional kitchen systems and products, Mestieri: design and creation of bespoke interiors. The Group's companies operate under a similar business model, in compliance with strict quality and safety standards. The projects managed by the Group stand out for their high level of customisation and material-specific know-how, a key requirement in projects with high added value. Thanks to its rigorous certification and accreditation process, Somec has achieved a reputation for quality and operational and financial reliability on a global scale. Somec is headquartered in San Vendemiano, in the province of Treviso (Italy), has companies in the United States, Slovakia, China and Canada, employs around 800 people and posted a turnover of 258.5 million euro in 2021.*
