Further documentation will be made available within the time limits and in the manner provided for by the applicable laws and regulations.

///

Somec

The Somec Group specializes in the engineering, design and deployment of complex turnkey projects in the civil and naval sectors, operating through three Business Units: Horizons: Engineered Systems for Naval Architecture and Building Façades; Talenta: Professional Kitchen Systems and Products; and Mestieri: Design and Production of Bespoke Interiors.

The Group's companies operate in an integrated and synergistic way, according to strict quality and safety standards and guaranteeing a high degree of customization and specific know-how on the processing of different materials, which is a fundamental requirement in high value-added projects.

In over 40 years of history and by relying on rigorous certification and accreditation processes, Somec has achieved a reputation for quality and operational and financial reliability on a global scale.

Headquartered in San Vendemiano, Treviso, the Group is present in 12 countries and 3 continents, employing about 1,000 people and with revenues of 383 million Euro in 2024.
